## **Project: Localizing the African Union Continental Framework on Youth Peace and Security.**

### **Regional Restitution Call for Proposals**

#### **About the Initiative:**

This call for proposals seeks to mobilize young people from Across the 10 regions of Cameroon, who took part in the planning and implementation of the National Symposium on Localizing the Continental Framework for Youth, Peace and Security (CFYPS) from the October 28<sup>th</sup> to 30<sup>th</sup> 2021. As first of its kind, it was a youth-led initiative, seeking to mobilize young people, development stakeholders, policymakers and government to build capacity, raise awareness and develop a roadmap for the localization of the AU Continental Framework on Youth Peace and Security (CFYPS) in Cameroon as well as sample perceptions regarding the development of a national action plan for its implementation in Cameroon. The initiative mobilized 200 people including young people, government representatives, and other international development stakeholders through a hybrid high-level conference in Yaoundé to improve their capacity and knowledge on the framework while engaging them as champions in the advocacy for and localization of the CFYPS.

#### **Context:**

The National Symposium was the first step toward establishing a National Action Plan for YPS in Cameroon.
